

Help Maintain the Community Garden "Keeping It Green"

Who: Local Youth
(Parents/Guardians are encouraged)

What: Maintaining the community garden and selling the vegetables it produces

When: July—October

*Times are flexible

Where: 479 16th, NF
(Behind the Neighborhood Housing Services, Inc. building)

How: Contact Becki Schicker or Joe Fitzpatrick at the COPC office at (716)205-0289

- ◆ A great youth group activity and a unique way to have a fun afternoon learning about nature.
- ◆ This is our community and our planet so let's take care of it and Keep It Green.

*This Project is a partnership between Niagara Falls Neighborhood Housing Services, Inc. and ReNU Niagara: Niagara University's COPC. The Funds for this project are provided by a grant from NeighborWorks America. The project is assisted with support from Cornell Cooperative Extension, East Side Block Club, Highland Community Revitalization Committee, Inc. and Niagara Falls Weed and Seed.
